SONG SHEET NOTES

I derived the chord positions shown by watching various videos of Michael Johnson performing of this song.

In some instances, due to my level of talent being far below that of Mr. Johnson, I may have consciously altered chords to make for easier playing.

I cannot contend that what is shown is how the original was played. It should also be noted that, from what I’ve seen, Michael Johnson did not necessarily play a song the same way every time.

Not having the patience or time to write tablature so it is up to each player to figure out what the picking hand is to do.

It is my hope that, at the least, this document could serve as a starting point for someone wanting to play the wonderful songs that Michael Johnson gave to us.

Sincerely,

Paul Ashley

1. After you go I can catch up on my reading
2. After you go I’ll have a lot more room in my closet

1. After you go I’ll have a lot more time for sleepin’
2. After you go I’ll stay out all night long if I feel like it

1. And when you’re gone looks like things are gonna be a lot easier
2. And when you’re gone I can run through the house screamin’

1. Life will be a breeze you know. I really should be glad, but I’m not
2. And no one will ever hear me. I really should be glad but I’m not

**CHORUS**

Bluer than blue,
Sadder than sad

You’re the only light this empty room has ever had.
Life without you is gonna be

Bluer (2nd time to Bridge) than blue

**BRIDGE**

I don’t have to miss no TV shows. I can start my whole life over

Change the numbers on my telephone, but the nights will sure be colder and I’m (to Chorus)

**CODA**

blue.
Bluer than blue.
