People Still Fall In Love (Thom Schuyler)

This is an earlier song Michael used to sing in the 80's and when announcing this song to his audiences referred to it as “People Still Dance In The Dark.”

I have taken the chords from a couple of renditions to add variety since Michael seldom played the same song the same way twice anyway.

I never got a chance to see him perform personally and I am the poorer for that. But through MJBlue his music lives on, and I try and do my best to help bring his music to the masses.

Enjoy,
